

John T. Wade

I graduated West End High School in 1954, the “All the Way for Doc” year which heightened my sense of school spirit. After retiring from my last full time job I joined the Lunch Bunch/Homecoming Committee and later ran for the Board. After being elected I was named Treasurer for the Association and have remained so. I enjoy working in those capacities, visiting with fellow alumni at meetings and lunches. I wish to continue to do so and will if you reelect me to the Board of Directors. Thank you.

Colleen (Wilt) Grissom

After graduation in 1967, I earned a BA degree in Math and French from Vanderbilt and an MS degree in Math & Computer Science from MTSU. My work experience included 11 years in education, 11 years in technical computer support, 11 years in business ownership, and 11 years in IT management.

Over the past 25 years, I have served in various offices for non-profits such as NAWBO (National Association of Women Business Owners), WOMEN’S Resource Cent of TN, and WiTT (Women in Technology of Tennessee).

I have served on the Homecoming and Lunch Bunch committees for our alumni since the late 90s, and was elected to the West Board 2 years ago, where I serve as the Secretary and manage the West website and the email campaign blasts. I would love to continue serving our beloved school and her family of alumni

I’m a proud graduate of the last class, 1968. I loved every day! I worked over 40 years for AT&T. While there I was active in the Telephone Pioneers, doing lots of community service projects. While our daughter was at FRA I was involved in the parents association, even served as Band Booster President. I have served on the West lunch bunch & Homecoming committees for years. Since 2019 I have been responsible for the reservations and contact with Hillwood for the monthly lunch bunch gatherings. I would like to help in continuing the traditions and legacy of West End High.

I served and was elected to the co-chairmanship of the Lunch Bunch committee and have served as co-host at the luncheons with my brother, Larry. In the 2016 elections I was 1 of 7 chosen to the Board of Directors for our Association. The Board members kindly (or sympathetically) elected me to be President of the Board of Directors for two years. I have been privileged to experience a wonderful expression of volunteerism from the many who are serving the alumni. All activities encompassed by the Association have been harmonious among the leadership of the various projects. I would be honored to serve on this Board again, if elected.
